Tentative Rulings are proposed as orders to be issued at the hearing and are posted in advance for the convenience of the parties and their counsel. Each matter on calendar will be called and parties are expected to attend. For those matters where the parties are not ordered to appear and either the parties agree or no objection is made at the hearing, the Court routinely adopts the tentative ruling as the ruling in the matter.

For privacy purposes on the publicly posted version of this document the parties' last names have been replaced by keeping only the first letter followed by three x's (example, John Doe = John Dxxx).
